Dear Dr. Demerec:

Thank you for your letter and for the 4-point data. We shall study these as closely as we can, and I will send you any comment when ~~xxxx~~ we have.

I am sorry that I will not be able to accept your cordial invitation to spend a week this summer at Cold Spring Harbor. We would like very much to do this some time, perhaps next year or so, but we could not fit it into the plans we have already made for this summer. But let me thank you nevertheless for asking.

Yours sincerely,

Joshua Lederberg
